

# Students Have Chance to Win \$200

09.23.2005

A question and answer game using remote controls will be sponsored this Thursday, September 29, by the Collegiate Activities Board at Southwestern Oklahoma State University in Weatherford.

Students will have the chance to win a \$200 prize, which goes to the winner of the contest.

According to Shameika Williams, chair of the CAB, a big screen will be set up in the Wellness Center. Students will use remote controls to key in an answer to a question. Students who get the right answer and key it in first or in the top three have a chance to advance in the competition.

The game begins at 7 p.m. in the new Wellness Center.
